Balancing Work & Life

Your Work Matters to God (part 4)

Review

Is my work significant?	Colossians 3:22-25 & 1 Corinthians 10:31	Your real boss is the Lord Jesus Christ!
Handling Stress in the Workplace	Mark 4:35-5:1	Remember who is in your boat!
Sharing Christ in the Workplace	Romans 10:8-17	Love your co-workers into the Kingdom!

Myths we can buy into :

☞ "I can do it all"

☞ "If I were just more _____ ..."

☞ "For my kids, I can substitute _____ time for _____ time"

(continued on back)

Action points towards a greater balance....

☞ Find your significance in _____, not your job

- Your significance has nothing to do with what _____ have accomplished, it has everything to do with what _____ has accomplished for you

☞ Make a decisive _____ to prioritize your family

☞ Establish healthy _____

☞ Ask for the Spirit's _____ & _____, make a _____, & trust that God will honor it

☞ When you are home, _____ from work

Main Point: What is God calling you to do?
